WHY

Why Donate and GO?

DONATING DOLLARS TO YOUR FAVORITE CAUSE IN THE USA, THEN VOLUNTEERING IN YOUR CHOSEN DESTINATION ALLOW YOU TO TRULY IMMERSE IN BOTH CULTURES.

EUROPE UP CLOSE

Donate and GO was born from a simple desire to experience travel and culture while giving back with gratitude. It is for travelers who want more than just a 5-Star vacation with tour guides and big ocean liners. Experience the luxury of Europe up close and personal with people who live and work there.

VOLUNTEER

At the heart of volunteering is gratitude. We, you and I, volunteer because we believe in a better world - here in the US and now abroad. This is your opportunity to have both so you can leave the world better than you found it.

DONATE

The US has a very robust nonprofit system to help others when they are in need through financial contributions and volunteerism. Your purchase will honor that tradition because a portion of your investment will be donated to the nonprofit of your choice. The power to do good begins with you!

IMMERSE

LIVE, LOVE, LAUGH, WORK and PLAY. True immersion in a culture means connecting, listening, telling stories, or sharing a meal together. During the immersion experience we learn that what connects us is stronger than what separates us, and this is where the real magic happens.

FUNDRAISING

VOLUNTEER OPPORTUNITIES

VOLUNTEER EXPERIENCES

Volunteer experiences abound in Europe, from feeding the hungry to talking and teaching English, and everything in between. Once you choose your destination and travel dates, we'll give you a list of options with full or half day community opportunities. New volunteer and service opportunities are always being added, so check back or call us direct if there's something specific you'd like to do!

OPTION 1 - SPEAKING ENGLISH

This is a great option for the group that loves language. They'll go into a school or University to help students read, write and speak English. And get exposed to the destination language too!

OPTION 2 - FEEDING THE HUNGRY

This option is for the humanitarian who wants to help feed the hungry or help raise funds for local nonprofits through service.

OPTION 3 - COMMUNITY RENOVATION

This option is for the hands-on folks who want to work with their hands to make a difference.
